

MORAL ASSESMENT FORM FOR PRIMARY AND SECONDARY SCHOOL STUDENTS.

Hello our esteemed teachers!

We acknowledge the fact that taking up the responsibility of loving, teaching and nurturing children under your care is not easy, thus, a noble act. We say thank you for all you do in raising children. God will reward you.

We believe in teamwork. And in whatever way we can co-operate to see our children become the best they can, we are willing to take on that ride. Hence, we would love you to answer these questions.

Your genuine responses will help us know values our children should imbibe and also where we need to help them improve in their academics.

Together we can raise wholesome children, not just for academic excellence but also, moral principles.

Thank you.
